**SEBA**

Handels GmbH

## About us

SEBA answers with high-quality products to the needs of Hospitals, Dental Schools and Faculties, Dental Clinics, Health Care Centers and Pharmacy Suppliers with over 20 years experience in the Medical field.

SEBA also has HTM71 standards for medical storage units and medical carts systems. Also, SEBA is supplying to the companies who manufacture medical furniture.

In order to increase performance and working efficiency, SEBA is contributing medical staff with various products.

SEBA develops projects with a sense of responsibility towards future generations.

SEBA is providing a solution to environmental pollution caused by liquid wastes of Dental Hospital with disinfecting medical liquid wastes with dental vacuum and disinfection system.

### OUR PRODUCTS GROUPS;

- ISO Module System Equipments
- Stainless Steel Hospital Equipments
- Central Sterilization Equipments
- Dental Clinic Cabinets
- Dental Laboratory Workstations

### OUR PROJECTS;

- **ISO Module System projects and solutions**  
Our specialist staff helps you to determine your needs for hospital storage and transport system. Our staff provides you alternative materials with maximum efficiency. We use various raw materials such as Stainless Steel, Compact Laminate (HPL), Oven Painted Steel, Wood, Antibacterial, Cu+ (Copper+). SEBA knows very well what HYGIENE means for the industry, so it approaches your projects with the same precision.
- **Central Sterilization System Products**  
We can design sterilization centers with products such as CSC Stainless Steel Products, Pre-Wash Bench and Equipment, Stainless Steel Perforated and Wire Shelves, Ultrasonic Washing Devices, Instrument Washing Devices, Steam Sterilizers, DIN and STU Baskets.
- **Medical Gas Systems**  
We can provide projects of installation and technical service of all gas systems and medical gas supply, piping and all other types of equipment of private and public Hospital, Clinic, Medical Centers, Criminal, Environment, Food, Health, Purification Laboratories, Animal Hospitals, etc.
- **Dental Vacuum and Liquid Waste Management**  
We provide vacuum pumps, compressors, project designing, installation and technical service for required vacuum and capacity of calculated compressed air for the dental units which used in Dental Hospitals and Dental Clinics. In addition, we provide a solution to the problem of disinfecting with Dental Vacuum and Disinfection system caused by medical liquid wastes generated by dental vacuums and given directly to the city sewer system.

*Please contact us to get more detailed information about our products!*

## Operation Room Built-in Cupboard

Model No: 219.5013

- AISI 304 stainless steel
- Inside Walls ABS plastic side panels
- ISO Module trays and baskets
- 4 mm thickness tempered glass
- Custom made manufacturing

## Scrub Facilities, Single

Model No: 201.3201 Photocell and knee controlled

- AISI 304 stainless steel
- Hot/cold water mixing valve
- Photocell and knee controlled water flow
- Knee controlled soap flow
- Front service doors for quick and easy intervention
- Disinfectant filling place on the top surface
- Adjustable four legs
- Photocell controlled soap flow
- Digital timer, optional
- Dimensions: (W x L x H) 650 x 750 x 1200 mm.

## Scrub Facilities, Double

Model No: 201.3202 Photocell and knee controlled

- AISI 304 stainless steel
- Hot/cold water mixing valve
- Photocell and knee controlled water flow
- Knee controlled soap flow
- Front service doors for quick and easy intervention
- Disinfectant filling place on the top surface
- Adjustable four legs
- Photocell controlled soap flow
- Digital timer, optional
- Dimensions: (W x L x H) 650 x 1500 x 1200 mm.

## Brush Holder

Model No: 201.1150, 201.1250

- AISI 304 stainless steel
- 18 brushes capacity
- Wall mounting apparatus
- Dimensions: (W x L x H) 70 x 100 x 450 mm. Single  
(W x L x H) 70 x 250 x 450 mm. Double

## Paper Towel Dispenser

Model No: 201.1501, 201.1502

- AISI 304 stainless steel
- New design prevents tearing
- Wall mounting apparatus
- Dimensions: (W x L x H) 280x 102 x 210 mm. 200 pcs capacity  
(W x L x H) 280 x 102 x 355 mm. 400 pcs capacity

## Manual Disinfectant Dispenser

Model No: 201.1401, 201.1402

- ABS plastic holder
- Stainless steel handle
- Locking system, optional
- Wall mounting apparatus
- Dimensions: (W x L x H) 260 x 95 x 180 mm. 500 ml. capacity  
(W x L x H) 105 x 230 x 290 mm. 1000 ml. capacity

## Pedal Controlled Baticon Dispenser

Model No: 201.1403

- ABS Plastic holder
- Stainless steel beak
- Rubber foot pump
- Wall mounting apparatus
- 1 liter Capacity

## Cap, Bonnet and Mask Cupboard (Hygiene Cupboard)

Model No: 220.3542 / 3 divisions  
Model No: 220.6542 / 6 divisions

- AISI 304 stainless steel
- Three or six separate divisions
- Half opened wide division
- Adjustable 4 legs
- Dimensions: (W x L x H) 420 x 650 x 1200 mm. Three divisions  
(W x L x H) 420 x 650 x 1550 mm. Six divisions

## Bed Pan Washing Machine

Model No: 266.1001

- AISI 304 stainless steel
- Disinfection process with thermal
- A bedpan and a urine bottle or three urine bottle capacity
- 3 programmes can be selected directly
- Containers can be placed in the universal holder and can be emptied easily by closing the door.
- Adjustable four legs, Dimensions: (W x L x H) 500 x 500 x 1450 mm .

## Slipper Trolley

Model No: 227.1050

- AISI 304 stainless steel
- Each shelf capacity is five pair slipper
- Four castors
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 500 x 1000 x 2000 mm.

## ICU Sink

Model No: 201.1251

- AISI 304 stainless steel
- Photocell controlled (with electrical and battery)
- Recessed soap dispenser
- Service doors for quick and easy intervention on the sides
- Dimensions: (W x L x H) 415 x 600 x 840 mm.

## Stainless Steel Cupboard

Model No: 219.9040

- AISI 304 stainless steel
- Adjustable two shelves on upper part
- Lockable, 270° opened glass doors
- 4 mm thickness tempered glass
- Two drawers with telescopic slides on middle part
- Lockable steel doors on bottom part with fixshelf inside
- Adjustable 4 legs
- Dimensions: (W x L x H) 400 x 900 x 1800 mm.

## Instrument and Medicine Cupboard

Model No: 218.9040

- AISI 304 stainless steel
- Adjustable three shelves
- Lockable, 270° opened glass doors
- 4 mm thickness tempered glass
- Adjustable four legs
- Dimensions: (W x L x H) 400 x 900 x 1800 mm.

## Stainless Steel Catheter Cabinet

Model No: 221.6552

- AISI 304 stainless steel
- ABS plastic side panels
- Catheter hangers with telescopic slides
- 4 mm thickness tempered glass
- ISO Module trays and baskets
- Two of them lockable total four wheels
- Dimensions:  
(W x L x H) 520 x 653 x 1780 mm.

## Stainless Steel ISO Module Double Cabinet, with Long Side Panels

Model No: 224.9072

- AISI 304 stainless steel
- ABS plastic side panels
- Lockable, 270° opened glass doors
- 4 mm thickness tempered glass
- ISO Module trays and baskets
- Two of them lockable total four wheels
- Dimensions:  
(W x L x H) 900 x 720 x 1750 mm.

## Stainless Steel ISO Module Cabinet, with Short Side Panels

Model No: 223.6552

- AISI 304 stainless steel
- ABS plastic side panels
- Lockable, 270° opened glass doors
- 4 mm thickness tempered glass
- ISO Module trays and baskets
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 520 x 655 x 1750 mm.

## Stainless Steel ISO Module Cabinet, with Long Side Panels

Model No: 223.4572

- AISI 304 stainless steel
- ABS plastic side panels
- Lockable, 270° opened glass doors
- 4 mm thickness tempered glass
- ISO Module trays and baskets
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 450 x 720 x 1750 mm.

## Wooden ISO Module Cabinet, with Short Side Panels

Model No: 223.6552

- Wooden
- ABS plastic side panels
- Lockable, 270° opened glass doors
- 4 mm thickness tempered glass
- ISO Module trays and baskets
- Two of them lockable total four wheels
- Dimensions: (W x L x H): 520 x 650 x 1750 mm.

## Wooden ISO Module Cabinet, with Long Side Panels

Model No: 222.4572

- Main body is wooden
- ABS plastic side panels
- Lockable, 270° opened glass doors
- 4 mm thickness tempered glass
- ISO Module trays and baskets
- Adjustable four legs
- Dimensions: (W x L x H) 450 x 720 x 1670 mm.

## Mayo Table, Hydraulic

- AISI 304 stainless steel
- Removable top table
- Adjusted height by foot controlled hydraulic pump
- Four castors, two braked

Model No: 207.6040 (Chromium Hydr. Pump)

- Dimensions: (W x L x H) 400 x 600 x 900-1400 mm.

Model No: 207.6041 (Stainless Steel Hydr. Pump)

- Dimensions: (W x L x H) 400 x 600 x 900-1400 mm.

Model No: 207.7050 (Chromium Hydr. Pump)

- Dimensions: (W x L x H) 500 x 700 x 900-1400 mm.

Model No: 207.7051 (Stainless Steel Hydr. Pump)

- Dimensions: (W x L x H) 500 x 700 x 900-1400 mm.

## Wooden ISO Module Cabinet, with Long Side 3 Panels

Model No: 224.4572

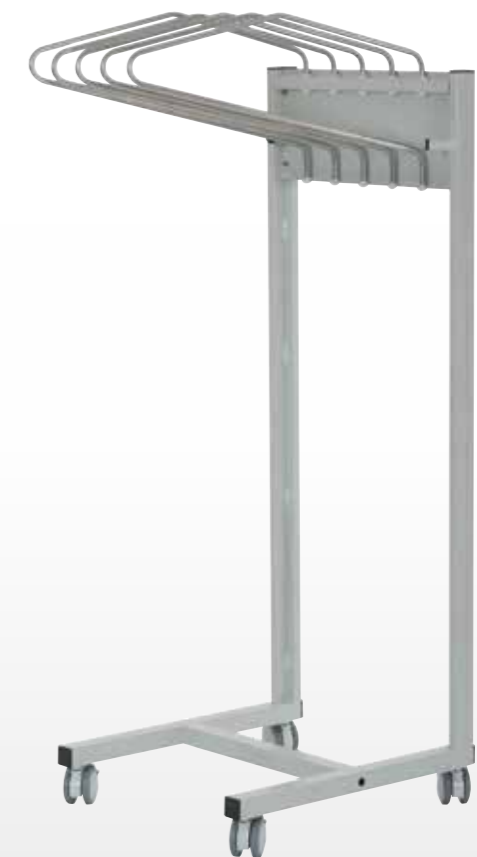

- AISI 304 stainless steel
- ABS plastic side panels
- Lockable, 270° opened glass doors
- 4 mm thickness tempered glass
- ISO Module trays and baskets
- Adjustable four legs
- Dimensions: (W x L x H) 450 x 720 x 1080 mm.

## Lead Apron Hange

Model No: 232.5562

- AISI 304 stainless steel
- Five pcs moveable hanger
- Totally four wheels which's diameters are 75 mm. and two of them with brakes
- Dimensions: (W x L x H) 620 x 520 x 1400 mm.

## Medicine Cabinet

Model No: 324.7653

- Dimensions (WxLxH): 760x535x1680 mm
- Eight drawers
  - Dimensions 400x668x50 mm 2 pieces
  - Dimensions 400x668x100 mm 5 pieces
  - Dimensions 400x668x200 mm 1 piece
- Removable plastic inside drawers
- Two lockable glass doors
- Aluminum composite material
- Four rolling wheels, two of them with brakes
- Two aluminum push handle
- Compact lower and upper table

## Medicine Cabinet With Double Partition (Short)

Model No: 324.1572

- Dimensions (WxLxH): 1005x725x1080 mm
- Eight drawers
  - Dimensions 400x668x50 mm 2 pieces
  - Dimensions 400x668x100 mm 4 pieces
  - Dimensions 400x668x200 mm 2 pieces
- Removable plastic inside drawers
- Two lockable glass doors
- Aluminum composite material
- Four rolling wheels, two of them with brakes
- Two aluminum push handles
- Compact lower and upper table

## Medicine Cabinet With Double Partition (Long)

Model No: 324.1072

- Dimensions (WxLxH): 1005x725x1680 mm
- Sixteen drawers
  - Dimensions 400x668x50 mm 2 pieces
  - Dimensions 400x668x100 mm 12 pieces
  - Dimensions 400x668x200 mm 2 pieces
- Removable plastic inside drawers
- Two lockable glass doors
- Aluminum composite material
- Four rolling wheels, two of them with brakes
- Two aluminum push handles
- Compact lower and upper table

## Medicine Storage Cabinet

Model No: 324.7854

- Dimensions (WxLxH): 780x540x1680 mm
- Three drawers,
  - Dimensions 400x668x50 mm 3 pieces
- Removable plastic inside drawers
- 120 mm, 60 pieces plastic medicine box
- Aluminum composite material
- Four rolling wheels, two of them with brakes
- Two aluminum push handles
- Compact lower and upper table

## Device Trolley

Model No: 238.5050

- AISI 304 stainless steel 3 shelves and 1 drawer
- Demontable
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 500 x 500 x 1100 mm.

## Instrument Carrying Table

Model No: 239.8655

- AISI 304 stainless steel
- Two shelves
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 550 x 860 x 950 mm.

## Device Trolley

Model No: 239.3040

- Three shelves
- Two electrical outlet
- 2 meters electrical cable and plug
- Electrostatic powder coated
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 500 x 500 x 750 mm.

## Instrument Carrying Table

Model No: 240.8655

- AISI 304 stainless steel
- Three shelves
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 550 x 860 x 950 mm.

## Instrument Table with Drawer

Model No: 210.9060

- AISI 304 stainless steel
- Two shelves and one drawer
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 600 x 900 x 850 mm.

## Surgical Instrument Conserving and Carrying Trolley

Model No: 234.9040

- AISI 304 stainless steel
- Pushing handle
- Removable 2 basins with cover
- Basin shaped bottom shelf
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 400 x 900 x 900 mm.

## Instrument Table

Model No: 211.9060

- AISI 304 stainless steel
- Two shelves
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 600 x 900 x 850 mm.

## Work Bench

Model No: 202.1260

- AISI 304 stainless steel
- 60 mm. upraised back edge
- 3 side covered bottom shelf
- Adjustable four legs
- Dimensions: (W x L x H) 600 x 1200 x 850 mm.

## Work Bench with Drawers

Model No: 203.1460

- AISI 304 stainless steel
- 60 mm. upraised back edge
- Three drawers placed under table
- Adjustable six legs
- Dimensions: (W x L x H) 600 x 1400 x 850 mm.

## Work Bench with Cupboard

Model No: 204.1360

- AISI 304 stainless steel
- 60 mm. upraised back edge
- Three drawers and double door cabinet
- Adjustable four legs
- Dimensions: (W x L x H) 600 x 1300 x 850 mm.

## Baby Washing Bench

Model No: 242.1670

- AISI 304 Stainless Steel
- Three Drawers and one cabinet
- With one Photocell Controlled Faucet and one Spiral Faucet
- Washing Sink: (W x L x H): 500 x 600 x 300 mm.
- Dimensions: (W x L x H): 700 x 1600 x 850 mm.

## Cupboard, Wall Mounted

Model No: 241.1035

- AISI 304 stainless steel
- Inside shelf
- Doors with two wings
- Wall mounted
- Custom made manufacturing
- Dimensions: (W x L x H) 350 x 600 x 750 mm.

## Baby Washing Bench

Model No: 242.1665

- AISI 304 stainless steel
- Two faucets, one of them is photocell controlled, other one is manual
- Two double door cabinet and 3 Drawers
- 500 x 600 x 300 mm. washing bench
- 250 mm. upraised back edge
- Adjustable four legs
- Dimensions: (W x L x H) 650 x 1650 x 850 mm.

## Working Table for Plaster Preparation

Model No: 243.1660

- AISI 304 stainless steel
- One door cabinet and 3 drawers
- Double tap sink for working comfort and to prevent congestion
- Ball valve under sink
- Adjustable six legs
- Dimensions: (W x L x H) 600 x 1600 x 850 mm.

## Laudry Collection Trolley

## Medical Waste Carrying Trolley

Model No: 235.1260

- AISI 304 stainless steel
- Two cover with gasket
- Pushing handle on two sides
- A ball valve on bottom side for cabin cleaning
- Two of them lockable total four wheels
- Dimensions: (W x L x H) 600 x 1250 x 950 mm.

## Movable Waste Bin

Model No: 212.2020, 212.3636

- AISI 304 stainless steel
- Rubber coated bumper
- Two of them lockable total four wheels
- Dimensions:  
(300 x 280 mm. include bucket, valve, handle) 20 L.  
(360 x 360 mm. include bucket, valve, handle) 36 L.

## Laundry Collection Trolley

Model No: 237.5555, 237.1155

- AISI 304 stainless steel
- Detachable 2 separate fabric bags
- Two of them lockable total four wheels
- Dimensions:  
(W x L x H) 550x550x950 mm. (Single)  
(W x L x H) 550 x 1100 x 950 mm. (Double)

## IV Stand

Model No: 229.6060, 230.6060

- AISI 304 stainless steel
- 4 psc plastic or stainless stand hooks
- Can be attached an infusion pump
- Plastic clips system to adjust height
- 050 mm Five wheels
- Dimensions:  
(W x L x H) 600x 1200/2100 mm. (Stainless steel hook)  
(W x L x H) 600 x 1200/2100 mm. (Plastic stand hook)

## Surgical Stool, Foot Controlled

Model No: 244.1011

- Foot controlled adjustable height
- Synthetic leader seat
- Backless
- \* Aluminum base with 5 swheels

## Surgical Stool with Backrest, Foot Controlled

Model No: 244.1111

- Foot controlled adjustable height
- Synthetic leader seat
- Back supported
- Aluminum base with 5 swheels

## Bowl Stands

Model No: 245.6060, 216.6060

- AISI 304 stainless steel
- 8 liter Bowls
- Pushing handle
- Five wheels
- Dimensions:  
(W x L x H) 600 x 600 x 900 mm. (Single)  
(W x L x H) 600 x 600 x 900 mm. (Double)

## Footstep

Model No: 213.6030, 213.6060

- AISI 304 stainless steel
- Non slip surface
- Dimensions:  
(W x L x H) 300 x 600 x 200 mm. (Single)  
(W x L x H) 600 x 600 x 200-400 mm. (Double)

## Bowl Stands with Table

Model No: 247.7030, 248.7030

- AISI 304 stainless steel
- 8 L. Bowls
- Two shelves
- Two of them lockable total four wheels
- Dimensions:  
(W x L x H) 600 x 600 x 900 mm. (Single)  
(W x L x H) 600 x 600 x 900 mm. (Double)

## Standard Medical Cart

Model No: 300.2017

- Dimensions (WxLxH): 775x545x960 mm
- ABS top tray
- Five drawers
  - Dimensions 400x668x60 mm 1 piece
  - Dimensions 400x668x122 mm 3 pieces
  - Dimensions 400x668x220 mm 1 piece
- Removable plastic inside drawers
- Central lock and disposable lock system
- Aluminum composite material
- Four rolling wheels, two of them with brakes
- Telescopic rails with brakes
- Sliding tray for medicine preparation
- Aluminum push handle
- Accessory connection rails

## Anaesthesia Cart

Model No: 300.2019

- Dimensions (WxLxH): 775x545x960 mm
- ABS top tray
- Five drawers
  - Dimensions 400x668x60 mm 1 piece
  - Dimensions 400x668x122 mm 3 pieces
  - Dimensions 400x668x220 mm 1 piece
- Removable plastic inside drawers
- Central lock and disposable lock system
- Aluminum composite material
- Four rolling wheels, two of them with brakes
- Telescopic rails with brakes
- Sliding tray for medicine preparation
- Aluminum push handle
- Accessory connection rails

**STANDARD ACCESSORIES:**

- Medicine box 5+5
- Stainless steel trash

## Dressing and Treatment Cart

Model No: 300.2018

- Dimensions (WxLxH): 775x545x960 mm
- ABS top tray
- Two drawers
  - Dimensions 400x668x60 mm 1 piece
  - Dimensions 400x668x122 mm 1 piece
- Removable plastic inside drawers
- Central lock system
- Aluminum composite material
- Four rolling wheels, two of them with brakes
- Telescopic rails with brakes
- Sliding tray for medicine preparation
- Aluminum push handle
- Accessory connection

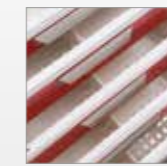

## Crash Cart

Model No: 300.2020

- Dimensions (WxLxH): 775x545x960 mm
- ABS top tray
- Five drawers
  - Dimensions 400x668x60 mm 1 piece
  - Dimensions 400x668x122 mm 3 pieces
  - Dimensions 400x668x220 mm 1 piece
- Removable plastic inside drawers
- Central lock and disposable lock system
- Aluminum composite material
- Four rolling wheels, two of them with brakes
- Telescopic rails with brakes
- Sliding tray for medicine preparation
- Aluminum push handle
- Accessory connection rails

**STANDARD ACCESSORIES:**

- Defibrillator tray
- Cylinder holder
- IV Stand
- Resuscitation board
- Stainless steel trash
